

SACRED HEARTS KIDUCATION-2, BAREILLY

Class-III Holidays Homework (2024-25)

Healthy You! Healthy Me!

Summertime is always the best of what might be. It brings with it ever-smiling sun, ice-creams, shakes and lots of fun. Summer Vacation is a time for fun and frolic and an opportunity to bring you some constructive activities to enhance your learning process.

Keeping in mind that learning is a joyful experience, the school this year has designed special tasks to be completed during the vacations and learn that time is precious and, moments such as these will fleet past quickly.

Go ahead, create wonderful memories. Do remember to complete the given tasks after reading them carefully. Ensure that your work is neat, presentable, innovative and conforms to the guidelines.

Eat Healthy! Stay Healthy!

Here are some more suggestions that we feel will make your vacation more enjoyable:

1. Revise the course done in all the subjects till now and complete your pending assignments if any.
2. Try to take up a summer activity at home only, spend some time doing yoga, exercise, meditation etc. for mental health and physical fitness.
3. Perform weekend cleanliness tasks.

We also seek the support of Parents to keep a supervisory eye and lend support and motivation to the children. Their guidance and encouragement can go a long way in bringing out the talent of the students.
