ENHANCE ORATORY SKILLS

Communication skills play a pivotal role in grooming the overall personality of the children. Let's motivate them to converse in English and to help him / her get acquainted with the language. Give more English words to increase her/his vocabulary. Motivate them to answer your questions in simple but full sentences. Let's encourage the kids to use magic words (sorry, thank you, excuse me, please) in different situations on regular basis. Remember, the more you use these words so will your children

Use these sentences regularly:

- How are you? I'm good. Thank You
